Dear Parent / Carer

Wednesday 3rd July 2019 – KS3 & KS4 Summer Games Sports Day

Throughout the year, our four Houses have been competing against each other in various competitions, in an attempt to accumulate as many points as possible in their quest to become the 2019 Maplewell House Cup Winners. With the end of term in sight, Sports Day will make a significant contribution to the House Leader Board and may even determine which House wins this year's championship.

Sports Day will run all day with students experiencing a range of appropriate activities that suit their capability and against those of similar abilities, this making the day a truly inclusive sporting opportunity for all students. The morning will consist of mainstream and alternative field events with the afternoon concentrating on track and alternative running events. We would like to welcome parents and carers to attend the afternoon activities and view from our separated adult viewing area. There will be tea, coffee and other refreshments available with proceeds going towards our house charities so please bring along some loose change. The afternoon is due to commence at 1.20pm and finish at approximately 3.20pm, giving students ample time to either meet parents or board their normal school transport. If you would like to watch the event please reply using the slip below. In addition, please let us know if you wish to take your child home instead of them using their normal school transport.

With limited changing space available, it is imperative that your child comes to school in their PE kit. This should be in their house coloured PE kit.

It would be a good idea to pack up your child with a drinks bottle for the day as it may be warm. Poor weather conditions on the day will simply result in students returning to their normal classes and a text message will go out notifying parents.

Please return the reply slip below as soon as possible.

Yours faithfully

Louise Woodman
