1. Purpose of the plan

This plan examines potential risks and issues that could cause disruption to the management and administration of the exam process at Maplewell Hall School. By outlining actions/procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions have on our exam process.

Alongside internal processes, this plan is informed by scenarios contained in the Joint contingency plan in the event of widespread disruption to the examination system in England, Wales and Northern Ireland.

This plan complies with JCQ general regulations (section 5) in that:

The centre agrees to “have in place a written examination contingency plan/examinations policy which covers all aspects of examination administration. This will allow members of the senior leadership team to have a robust contingency plan in place, minimising risk to examination administration, should the examinations officer be absent at a crucial stage of the examination cycle;”
