Dear Parent/Carer

You will have now received a letter from Leicestershire County Council confirming the formal notice period has begun to close the residential facilities here at Maplewell Hall School. I, along with parents, carers and staff, have found this announcement very disappointing, especially as I know how much our students gain from the experience of staying in the school's residential facilities. I would now strongly encourage you all to object or comment on the Statutory Notice, no later than Monday 12 February 2018, whether your child currently makes use of the residential facilities or not.

Any objection to the proposed closure should show your support for the residential provision by highlighting the education benefits of staying in residence. If you would like further guidance please speak to a member of the Care Team or the Family Link Workers.

Objections should be sent to: [SchoolOrgService@leics.gov.uk](mailto:SchoolOrgService@leics.gov.uk)
