6<sup>th</sup> February 2018

Dear Parent / Carer

The consultation about our residential facility closes next Monday, 12<sup>th</sup> February.

If you have not done so already please let County Hall know what you think about this proposal. We need to use this chance to show how much the facility means to students and how the benefits are educational.

Some ideas to include in your comments are

- Increase in students personal confidence
- Improved attitude towards school and learning
- Greater exposure to learning over a wide range of areas
- Learning skills in preparation for adulthood i.e. changing bed sheets, ironing clothes
- Focus on improving communication skills

Your response can be written or sent via email,
