Where we aspire, nurture, personalise,
engage and promote success

10th January 2020

Dear Parent / Carer

At Maplewell Hall School we use an online system called Go4Schools to track your child's pastoral and academic progress, as well as their attendance and behaviour data.

As part of our commitment to securing the best possible outcomes for the students at Maplewell we are making the system available for you to engage with.

Having online access to Go4Schools will enable you to:

- See your child's progress over time
- Check on your child's attendance
- View your child's timetable
- Have access to progress reports
- Review your child's behaviour record

The system is used on a daily basis in school and contains live data for you to access whenever you wish. To log onto the system you must visit www.go4schools.com and enter the email address we hold for you in school.

To help you get started we have attached a guide which will talk you through how to log in for the first time and explain some of the information you will see on your child's profile.

If you wish to have any further clarification, please attend to our **Parent / Carer Information Evening on Thursday 23rd January**. This will be a chance for you to ask any questions or give us feedback and ideas, on how you feel Go4Schools could work best for you and your child.

Yours faithfully

Kasia Glinka
Assistant Headteacher
