

## Destination Information

First of all, congratulations! You have finished your time at Maplewell and are now moving onto the next part of your life.

We would like to keep in touch with you to see how you're doing and where your journey is taking you. We care about your future as we have spent a lot of time with you working together to help you get ready with confidence, skills, and qualifications.

In order to check how you are getting on, we need your agreement to share information about you and what you have gone on to do. We already do this as a requirement of the Education and Skills Act 2008 until the age of 16. Now, we need to know if you are okay with us to continue.

We might contact you if we are not sure how you're doing in your new college or work. Each contact will take no more than 5 minutes.

The information your school/college and the local authority collect will be stored by your school to help them improve their career support.

You can find more information about how Maplewell Hall School uses data in our Privacy Notice. This document explains why and how we collect and use your information. You can read it here: <https://www.maplewell.leics.sch.uk/wp-content/uploads/Privacy-Notice-Pupil-updated-Jan-2024-002.pdf>

The information we will collect includes: course/job title, school/employer name, level of study, start date, and length of the course/apprenticeship/job. Your data will be kept very private and will only be shared in a way that doesn't reveal who you are.
