

# Homework Project

Your task is to complete a project on the topic of 'Food Technology'.

Choose one or more of the tasks on the other side of this sheet and complete it to the best of your ability.

The tasks are divided into the following categories:

Enjoy - Aspire - Challenge

These three categories are the levels of difficulty of each task. So, choose a task that suits your ability but make sure it challenges your skills.

**Due date: Friday 18<sup>th</sup> December 2020**

Your tutor will mark your project. On Wednesday, during lunch time break, there will be an hour homework club to support you along the way. There will be house points available for effort and achievement. Outstanding project, will be celebrated in assembly and displayed around the school. Winners of the best homework will be invited for a lunch in a local restaurant.

**Enjoy**

**Achieve**

**Aspire**

**IT NEVER  
GETS EASIER,  
YOU JUST  
GET BETTER.**

KUSHANWIZDOM

Blue - Enjoy

Yellow - Aspire

Red - Challenge

Take a photo/ video of yourself cooking at home. You can cook a meal, desert or snack.

Research a cake recipe and create a collage of your ideas including pictures and writing of ingredients.

Create a poster encouraging students to wash their hands. Include in your poster images, writing, instructions and the reason why it is so important.

Independently research a recipe and cook a meal for people you live with. You can include photos, a written account of how you cooked the meal and a review from your family on taste. Also include the recipe. Extra stretch- can you work out how much the meal would have cost by researching ingredient prices?

Create a quiz with 10 questions about food kitchen rules (you can do this on the computer or on paper).

Create a food map identifying what countries certain foods come from. Include colour and make sure it is labelled clearly.

Take a photo/ video of yourself cooking at home.

Design a Diwali or bonfire snack. Explain why this snack is for either celebration and why you have chosen this design.

Create a menu or a game about nutritional food options- the game could have cards with different choices that are healthy or unhealthy and the menu could have three courses with choices that vary in nutritional value. Extra stretch- can you explain why they are more nutritional?
