

Land-based Studies Animal Care (0361)

Level 1 Award Year 1	100 credits					
Topic	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
	Safety introduction Start Unit 201 ‘Safe and Effective Working Practices in land based studies’	201 ‘Safe and Effective Working Practices in land based studies’ PPE	201 ‘Safe and Effective Working Practices in land based studies’ Safe working	216 ‘Assist with maintaining health and wellbeing of Animals’ Emergency procedures	216 ‘Assist with maintaining health and wellbeing of Animals’	216 ‘Assist with maintaining health and wellbeing of Animals’
Assessment	External IV and internal teacher assessment	External IV and internal teacher assessment	External Exam Computer based	External IV and internal teacher assessment	External IV and internal teacher assessment	External IV and internal teacher assessment
P4A	Aiming high Teamwork Care/ Empathy	Teamwork	Presenting Teamwork	Leadership Teamwork	Listening Teamwork	Staying positive Presenting Teamwork
Literacy and numeracy	Keywords for new course	Literacy when recording use of PPE, labels etc. Mathematical skills needed for using safety forms	Literacy Key vocabulary	Mathematical skills recording emergency procedures	Mathematical thinking considering areas, volumes of liquids etc Literacy keywords	Mathematical thinking considering areas, volumes of liquids etc Literacy keywords

Level 1 Certificate Year 2						
Topic	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
	Revise Health and Safety Expectations 226 Feeding and Watering of Animals	226 Feeding and Watering of Animals	226 Feeding and Watering of Animals	228 Handling and Restraint of Animals	228 Handling and Restraint of Animals	228 Handling and Restraint of Animals
Assessment	External IV and internal teacher assessment	External IV and internal teacher assessment	External IV and internal teacher assessment	External IV and internal teacher assessment	External IV and internal teacher assessment	External IV and internal teacher assessment
P4A	Aiming high Teamwork	Teamwork Leadership	Leadership Teamwork	Presenting Teamwork	Listening Teamwork	Staying positive Teamwork
Literacy and numeracy	Learning, recap and consolidating keywords for the new subjects studied.	Literacy when reading product labels and instructions.	Literacy when reading product labels and instructions.	Literacy when reading and preparing documents	Literacy when reading and preparing documents	Literacy when reading and preparing documents
		Mathematical thinking when measuring feed and water.	Mathematical thinking when measuring feed and water.	Mathematical weight / length etc	Mathematical weight / length etc	Mathematical weight / length etc

Level 1 Diploma Year 3	Post 16 ?					
Topic	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
	202 Preparing to work in land based industries					
Assessment	External IV and internal teacher assessment	External IV and internal teacher assessment	External IV and internal teacher assessment	External IV and internal teacher assessment	External IV and internal teacher assessment	External IV and internal teacher assessment
