Purpose of the plan

This plan examines potential risks and issues that could cause disruption to the management and administration of the exam process at Maplewell Hall School. By outlining actions/procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions have on our exam process.

Alongside internal processes, this plan is informed by scenarios contained in the Joint contingency plan in the event of widespread disruption to the examination system in England, Wales and Northern Ireland.

This plan complies with JCQ General Regulations for Approved Centres in that the centre has in place:

- a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or staff absence. The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations, or on results day, owing to an unforeseen emergency

Possible Causes of disruption to the exam process

1. Exam Officer extended absence at key points in the exam process (cycle)

Criteria for implementation of the plan, key tasks required in the management and administration of the exam cycle not undertaken including:

- Planning
 - annual data collection exercise not undertaken to collate information on qualifications and awarding body specifications being delivered
 - annual exams plan not produced identifying essential key tasks, key dates and deadlines
 - sufficient invigilators not recruited and trained
- Entries
 - awarding bodies not being informed of early/estimated entries which prompts release of early information required by teaching staff
 - candidates not being entered with awarding bodies for external exams/assessment
 - awarding body entry deadlines missed or late or other penalty fees being incurred

3. Teaching staff extended absence at key points in the exam cycle

Criteria for implementation of the plan

Key tasks not undertaken including:

- Early/estimated entry information not provided to the exams officer on time; resulting in pre-release information not being received

- Internal assessment marks and candidates' work not provided to meet awarding body submission deadlines

Centre actions:

- SLT to nominate a “deputy” to cover a role/task.

4. Invigilators - lack of appropriately trained invigilators or invigilator absence

Criteria for implementation of the plan

- Failure to identify and train sufficient invigilators to conduct exams
- Invigilator shortage on peak exam days
- Invigilator absence on the day of an exam

Centre actions:

7. Disruption of teaching time – centre closed for an extended period

Criteria for implementation of the plan

- Centre closed or candidates are unable to attend for an extended period during normal teaching or study supported time, interrupting the provision of normal teaching and learning

Centre actions:

- Centre to communicate with parents, carers and candidates about the disruption to teaching time and provide appropriate work via Google Classroom

8. Candidates unable to take examinations because of a crisis – centre remains open

Criteria for implementation of the plan

- Candidates are unable to attend the examination centre to take examinations as normal

Centre actions:

- Centre will communicate with relevant awarding organisation to make them aware of the issue
- Centre will then communicate solutions to parents/carers and candidate.

9. Centre unable to open as normal during the exams period

Criteria for implementation of the plan

- Centre unable to open as normal for scheduled examinations

Centre actions:

- Centre to inform awarding organisation of examinations to be affected
- Look where possible to provide alternative provision e.g. local middle schools

10. Disruption in the distribution of examination papers

Criteria for implementation of the plan

- Disruption to the distribution of examination papers to the centre in advance of examinations. The centre to communicate with awarding organisations to organise alternative delivery of papers.

Centre actions:

- Awarding organisations to provide centres with the electronic access to examination papers via a secure external network. Centres would need to ensure that copies are received, made and stored under secure conditions and should have plans in place to facilitate such an action. Awarding organisations would provide guidance on the conduct of examinations in such circumstances. As a last resort, and in close collaboration with centres and regulators, awarding organisations to consider scheduling of the examination on an alternative date.

11. Disruption to the transportation of completed examination scripts

Criteria for implementation of the plan

- Delay in normal collection arrangements for completed examination scripts/assessment evidence.

What schools and colleges and other centres should do if exams or other assessments are seriously disrupted

1. Contingency planning

You should prepare for possible disruption to exams and other assessments and make sure staff are aware of these plans.

When drafting contingency plans, you should consider the following guidance...

2. Disruption to assessments or exams

In the absence of any instruction from the relevant awarding organisation, you should make sure that any exam or timetabled assessment takes place if it is possible to hold it. This may mean relocating to alternative premises.

You should discuss alternative arrangements with your awarding organisation if:

- the exam or assessment cannot take place
- a candidate misses an exam or loses their assessment due to an emergency, or other event, outside of the candidate's control

3. Steps you should take

3.1 Exam planning

Review contingency plans well in advance of each exam or assessment series. Consider how, if the contingency plan is invoked, you will comply with the awarding organisation's requirements.

3.2 In the event of disruption

1. Contact the relevant awarding organisation and follow its instructions.
2. Take advice, or follow instructions, from relevant local or national agencies in deciding whether your centre is able to open.
3. Identify whether the exam or timetabled assessment can be sat at an alternative venue, in agreement with the relevant awarding organisation, ensuring the secure transportation of questions papers or assessment materials to the alternative venue.
4. Where accommodation is limited, prioritise candidates whose progression will be severely delayed if they do not take their exam or timetabled assessment when planned.
5. In the event of an evacuation during an examination please refer to JCQ's ['Centre emergency evacuation procedure'](#).
6. Communicate with parents, carers and candidates any changes to the exam or assessment timetable or to the venue.
7. Communicate with any external assessors or relevant third parties regarding any changes to the exam or assessment timetable.

3.3 After the exam

1. Consider whether any candidates' ability to take the assessment or demonstrate their level of attainment has been materially affected and, if so, apply for special consideration.
2. Advise candidates, where appropriate, of the opportunities to take their exam or assessment at a later date.
3. Ensure that scripts are stored under secure conditions.
4. Return scripts to awarding organisations in line with their instructions. Never make alternative arrangements for the transportation of completed exam scripts, unless told to do so by the awarding organisation.

4. Steps the awarding organisation should take

4.1 Exam planning

1. Establish and maintain, and at all times comply with, an up-to-date, written contingency plan.
2. Ensure that the arrangements in place with centres and other third parties enable them to deliver and award qualifications in accordance with their conditions of recognition.

4.2 In the event of disruption

- Take all reasonable steps to mitigate any adverse effect, in relation to their qualifications, arising from any disruption.
- Provide effective guidance to any of their centres delivering qualifications.
- Ensure that where an assessment must be completed under specified conditions, candidates complete the assessment under those conditions (other than where any reasonable adjustments or special considerations require alternative conditions).
- Promptly notify the relevant regulators about any event which could have an adverse effect on candidates, standards or public confidence.
- Coordinate its communications with the relevant regulators where the disruption has an impact on multiple centres or a wide range of learners.

4.3 After the exam

Consider any requests for special consideration for affected candidates. For example, those who may have lost their internally assessed work or whose performance in assessments or exams could have been affected by the disruption.

5. If any candidates miss an exam or are disadvantaged by the disruption

If some of the candidates have been adversely affected by the disruption, you should ask the awarding organisation about applying for special consideration.

Decisions about special consideration, when it is or is not appropriate, is for each awarding organisation to make. Their decisions might be different for different qualifications and for different subjects.

- [JCQ's guidance on special considerations](#)

6. Wider communications

The regulators, [Ofqual](#) in England, [Qualifications Wales](#) in Wales and [CCEA](#) in Northern Ireland, will share timely and accurate information, as required, with awarding organisations, government departments and other stakeholders.

The [Department for Education](#) in England, the [Department of Education](#) in Northern Ireland and the [Welsh Government](#) will inform the relevant government ministers as soon as it becomes apparent that there will be significant local or national disruption; and ensure that they are kept updated until the matter is resolved.

Awarding organisations will alert the [Universities and Colleges Admissions Service](#) (UCAS) and the [Central Applications Office](#) (CAO) about any impact of the disruption on their deadlines and liaise regarding candidate progression to further and higher education.

Awarding organisations will alert relevant professional bodies or employer groups if the impact of disruption particularly affects them.

7. Widespread national disruption

In the event of widespread sustained national disruption, the government departments will communicate with regulators, awarding organisations and centres prior to a public announcement. Regulators will provide advice to government departments on implications for exam timetables.

JCQ

15.1 The qualification regulators, JCQ and government departments responsible for education have prepared and agreed information for schools and colleges in the event of examinations being seriously disrupted. This jointly agreed information will ensure consistency of response in the event of major disruption to the examinations system affecting significant numbers of candidates.

Further information may be found at: <https://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland/what-schools-and-colleges-should-do-if-exams-or-other-assessments-are-seriously-disrupted>

15.2 In addition, awarding bodies have their own well-established contingency plans in place to respond to disruptions. It is important that exams officers who are facing disruption liaise directly with the relevant awarding body/bodies.

15.3 Centres should prepare plans for any disruption to examinations as part of their general emergency planning. It is important to ensure that relevant centre staff are familiar with the plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.

15.4 In the event that the head of centre decides the centre cannot be opened for scheduled examinations, the relevant awarding body must be informed as soon as possible. Awarding bodies will be able to offer advice regarding the alternative arrangements for conducting examinations that may be available and the options for candidates who have not been able to take scheduled examinations.

15.5 The awarding bodies will designate a 'contingency day' for examinations, summer 2021. This is consistent with the qualification regulators' document Exam system contingency plan: England, Wales and Northern Ireland: <https://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland>

The designation of a 'contingency day' within the common examination timetable is in the event of national or significant local disruption to examinations. It is part of the awarding bodies' standard contingency planning for examinations.

In the event of national disruption to a day of examinations in summer 2021, the awarding bodies will liaise with the qualification regulators and government departments to agree the most appropriate option for managing the impact. As a last resort the affected examinations will be rescheduled. Although every effort would be taken to keep the impact to a minimum, it is possible that there could be more than one timetable date affected following the disruption, up to and including the contingency day. Centres will be alerted if it is agreed to reschedule the examinations and the affected candidates will be expected to make themselves available in such circumstances. The decision regarding the rescheduling of examinations will always rest with the awarding body. The centre must conduct the examination on the scheduled date unless instructed to do otherwise by the awarding body.

Where candidates choose not to be available for the rescheduled examination(s) for reasons other than those traditionally covered by special consideration, they will not be eligible for enhanced grading arrangements. Centres must therefore ensure candidates and parents are aware of this contingency arrangement so that they may take it into account when making their plans for the summer. However, the awarding bodies will not insist upon candidates being available throughout the entire timetable period as a matter of course.

This Notice is based on guidance provided within the JCQ Joint Contingency Plan, which is available from the JCQ website: www.jcq.org.uk/exams-office/other-documents/jcq-joint-contingency-plan

In the event of widespread disruption to the examination system, all centres **must** have contingency plans in place. There are three main categories of disruption, which are outlined below.

Candidates at risk of being unable to take examinations – centres remain open

Centres' contingency plans should focus on options that enable candidates to take their examinations. As part of these preparations, centres should take into account the guidance provided in the JCQ publication Instructions for conducting examinations: <http://www.jcq.org.uk/exams-office/ice---instructions-for-conducting-examinations>

- consider moving the starting times of the examination for all candidates (see **section 6.2** of the JCQ publication Instructions for conducting examinations)
- being aware of the rules for very late arrivals (see **section 21** of the JCQ publication Instructions for conducting examinations).

Wherever possible, it is always in the best interest for candidates to sit the examination. However, if candidates who are unable to sit the examination meet the criteria, special consideration through absence for acceptable reasons is an option (see **Chapter 4** of the JCQ publication A guide to the special consideration process: <https://www.jcq.org.uk/exams-office/access-arrangements-and-special-consideration/regulations-and-guidance>

Please do not hesitate to call the relevant awarding body if you require additional support or guidance in the event of disruption to examinations.

Centres at risk of being unable to open as normal during the examination period

As above, centres' contingency plans must focus on enabling candidates to take their examinations if the centre is at risk of being unable to open as normal.

The responsibility for deciding whether it is safe for a centre to open lies with the head of centre who is responsible for taking advice or following instructions from relevant local or national agencies.

Information on what centres should do if examinations or other assessments are seriously disrupted can be found in the three country regulators' exam system contingency plan:

www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland/what-schools-and-colleges-should-do-if-exams-or-other-assessments-are-seriously-disrupted

Special consideration through absence for acceptable reasons is also available as an option if all other avenues have been exhausted and candidates meet the relevant criteria.

Please do not hesitate to call the relevant awarding body if you require additional support or guidance in the event of disruption to your examinations.

Disruption to transporting completed examination scripts

If there is a delay in normal collection arrangements for completed examination scripts:

- where examinations are part of the national 'yellow label' service or where awarding bodies arrange collections, centres should **contact the relevant awarding bodies** for advice and instructions.
- for examinations where centres make their own collection arrangements, they should **investigate alternative options** that comply with the JCQ publication Instructions for conducting examinations
- completed scripts **must** be stored securely until they are collected.

Summary of centre and awarding body responsibilities

Examination centres are responsible for:

- preparing plans for any disruption to examinations as part of centres' general emergency planning
- deciding whether the centre can open for examinations as scheduled and informing relevant awarding bodies if the centre is unable to open
- exploring the opportunities for alternative arrangements if the centre cannot open for examinations and agreeing such arrangements with the awarding bodies
- judging whether candidates meet the requirements for special consideration because of any disruption and submitting these requests to the relevant awarding bodies
- assessing their circumstances and liaising with awarding bodies in the event of disruption to the transportation of papers.

Awarding bodies are responsible for:

- ensuring centres receive examination materials for scheduled examinations
- advising centres on possible alternative examination arrangements and declining/approving proposals for alternative examination arrangements
- evaluating and declining/approving requests for special consideration.
