## Drama Round Up:

Students in year 9 have been working hard on their new topic in Performing Arts (Blood Brothers). This week they took part in a teacher lead immersive theatre exercise where they were CSI agents trying to work out what crime had been committed. In addition, Years 10 and 11 have been working towards their upcoming performance show, Acting Up. Students have been working several musical numbers and Year 10 have been creating work from a stimulus to put together monologues and duologues. Tickets will be made available for parents and carers.

## Personal and Social Skills:

Year 11 students have been learning about online gaming and gambling in P4A. We had a special guest, Mr Lyons, come in to help us learn about how gambling can be addictive and we explored the reasons behind this. The students in year 7 in P4A have been exploring types of relationships and have made some really lovely friendship value hands, reflecting on what is important within friendships.
